

Soft modelling approaches and techniques for smart decision support systems development, management, and engineering

Lecturer: Prof. dr hab. inż. Edward Szczerbicki, prof. zw. PG (WZiE)

Program wykładu (15 godz):

1. Modern knowledge-based smart decision support systems (2 godz)
2. Modelling and simulation processes (3 godz)
 - Modelling and models
 - Validation and verification
 - Modern simulation platforms
3. Soft modelling and Artificial Intelligence versus hard modelling (2 godz)
4. Neural networks (1 godz)
5. Fuzzy logic (2 godz)
6. Concurrent engineering (2 godz)
7. Cyber Industry and new engineering revolution (1 godz)
8. Experience modelling and engineering for knowledge based systems enhancement (2 godz)

Terminy wykładów			
Data	Dzień tyg.	Godzina	Sala
2015-04-13	Pn	16.15-19.00	ZiE 209
2015-04-14	Wt	16.15-19.00	GG 400A
2015-04-15	Śr	16.15-19.00	GG 400A
2015-04-16	Cz	16.15-19.00	ZiE 401
2015-04-17	Pt	16.15-19.00	ZiE 202
